

SPOKANE COUNTY FIRE DISTRICT 8

Standard Operating Procedures

30.03.01
INCIDENT TYPE RESPONSE

Adopted: 12/20/16
Reviewed: 11/18/21
Revised: 11/18/21

Approved: 

Purpose: Incident Type Response.

References: N/A

Procedure:

1. Incidents are dispatched per the designated run card from SREC/Fire Comm.
2. It is the intent of the run cards to initiate the appropriate response to incidents and notify volunteers and additional staff for response or station stand-by.
3. Primary dispatched apparatus shall respond with the on-duty station personnel.
4. Volunteers, and callback Career and Part-Time staff shall staff additional dispatched apparatus for response or provide station stand-by.
5. Some incidents may not require all dispatched units to respond directly to the incident.
6. The primary apparatus or Incident Commander (IC) may cancel additional apparatus if not required.
7. If a dispatched unit is canceled or does not need to respond, the unit should be placed back in-service with SREC/Fire Comm.
8. The following are response guidelines only:
 - a) BLS Medical (31A, 31B).
 - i. The personnel and apparatus dispatched by SREC/Fire Comm shall respond.
 - ii. If the responding apparatus requires or needs additional equipment they shall request through SREC/Fire Comm.
 - b) ALS Medical (31C, 31D, 31E).
 - i. The personnel and apparatus dispatched by SREC/Fire-Comm shall respond.
If the responding apparatus requires or needs additional equipment they shall request through SREC/Fire Comm.
 - c) Vehicle Accident (46A, 46B, 46C, 46D, 46E).
 - i. The personnel and apparatus dispatched SREC/Fire Comm shall respond.
 - ii. If the responding apparatus requires or needs additional equipment they shall request through SREC/Fire Comm.
 - iii.
 - d) Vehicle Fire (13S).
 - i. The personnel and apparatus dispatched by SREC/Fire Comm shall respond.
 - ii. If the responding apparatus requires or needs additional equipment they shall request through SREC/Fire Comm.
