Santa Claus is Coming to Town—On a Fire Engine!

PRESENTED BY SCFD8 FIREFIGHTERS

Get ready for some holiday magic right in your neighborhood! Santa Claus is trading in his sleigh for a big red fire engine as he joins your District 8 firefighters for a festive ride through the community.

Be sure to listen and watch for the lights and sirens as Santa and your local heroes cruise through the streets spreading holiday cheer!

Santa will attempt to come down as many streets as possible in the highlighted neighborhood, however not every street can be visited by Santa and the firefighters.

Be safe when walking in your neighborhood and dress warm.

See you soon...Santa
